CUTLERY
SINCE 1976

The abode of innovative stainless steel cutlery products

Company Profile

DEEP METALS was established in the year 1976 and is one of the leading manufacturer and suppliers of supreme quality stainless steel products. We specialize in elegant designer cutlery, kitchenware and elite gift items. Our swanky office cum showroom along with our state-of-the-art manufacturing facility is located in Dahanu, 120 kms away from Mumbai, the commercial hub of India.

OUR PROMOTER

The company was formed under the competent management of **Mr. Prakash Nahar** who has a titanic experience straddling over four decades in the steel industry. His genius entrepreneurship quality is the electrifying strength behind the company's success and expansion.

OUR TEAM

To meet the constantly and swiftly changing market, we have our professional research and designer team who believes in the idea of innovation and creativity and keeps us posted on the newest developments in our field and help in accomplishing the most coveted designer products.

TOTAL QUALITY MANAGEMENT

For us quality is a conviction for brilliance and hence we strictly adhere to 'Good Manufacturing Practices' (GMP). Besides, we also believe the principal characteristic of any manufacturing company is compliance of 'Total Quality Management'. Therefore we ensure that all the set etiquettes are duly authenticated and are in accordance with the industry quality standards.

DOMESTIC MARKETING

Having perfected four decades in the industry, we have achieved rock-solid experience in manufacturing and supplying our products. With our professionally experienced sales force along with persistently strong supply chain management we are well equipped to tackle the constantly demanding domestic market.

Product Spotlight

Besides offering an exclusive variety of products and patterns to cherry-pick from, providing custom-made designer products as per customer requirements is our forte. There is a lot of detailing and meticulous finishing that goes into the making of our products and the difference is there to see for all. Our product range includes:
